Warrant for the 1950 Town Meeting

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Milton in the county of Strafford, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the fourteenth day of March, next, at ten of the clock in the forenoon, with polls not closing before six of the clock in the afternoon, to act on the following subjects:

1. To bring in your ballots for Town Officers.
2. To see if the Town will vote to raise and appropriate a sum not to exceed six thousand dollars (\$6,000.00) for winter maintenance.
3. To see if the Town will vote to raise and appropriate a sum of money not to exceed nine thousand dollars (\$9,000.00) for gravel and the repair of highways and bridges.
4. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand dollars (\$1,000.00) for the maintenance of highway equipment.
5. To see if the Town will vote to raise and appropriate a sum of money not to exceed two thousand five hundred dollars (\$2,500.00) for oiling.
6. To see if the Town will vote to raise and appropriate a sum of money not to exceed five hundred twenty-eight dollars (\$528.00) in order to receive Town Road Aid. (The State of N. H. to contribute \$2,111.99).

7. To see if the Town will vote to raise and appropriate a sum of money not to exceed two thousand six hundred eighty-nine dollars (\$2,689.00) for S. A. C. (The State of N. H. to contribute a like amount.)

8. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand dollars (\$1,000.00) for the continuance of the Nute's Ridge Road.

9. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand dollars (\$1,000.00) to meet the note on the Hough Loader.

10. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand five hundred dollars (\$1,500.00) to be expended for grade and gravel on the Hare Road. (By petition of Roland Pageau and fifteen other citizens).

11. To see if the Town will vote to raise and appropriate a sum of money not to exceed three hundred dollars (\$300.00) for the Camp Roads.

12. To see if the Town will vote to raise and appropriate a sum of money not to exceed five hundred dollars (\$500.00) for repair of sidewalks in Milton and Milton Mills.

13. To see if the Town will vote to raise and appropriate a sum of money not to exceed two thousand five hundred dollars (\$2,500.00) for street lights.

14. To see if the Town will vote to raise and appropriate a sum of money not to exceed twelve thousand dollars (\$12,000.00) to pay Town charges and expenses, and pass any other vote or votes relative thereto.

15. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand dollars (\$1,000.00) for the Town Beach.

16. To see if the Town will vote to raise and appropriate a sum of money not to exceed one thousand five hundred dollars (\$1,500.00) for the Fire Department, and pass any other vote or votes relative thereto.

17. To see if the Town will vote to raise and appropriate a sum of money not to exceed eight hundred dollars (\$800.00) for maintenance of the Milton Mills Fire Precinct.

18. To see if the Town will vote to raise and appropriate a sum of money not to exceed five hundred dollars (\$500.00) for the maintenance of hydrants in the Milton Water District.

19. To see if the Town will vote to raise and appropriate a sum of money not to exceed two hundred dollars (\$200.00) to erect a ceiling at the Milton Mills fire station.

20. To see if the Town will vote to raise and appropriate a sum of money not to exceed three hundred dollars (\$300.00) for the Milton Free Public Library at Milton Mills. (This will include amount allowed by law).

21. To see if the Town will vote to raise and appropriate the sum of one hundred seventy-nine dollars (\$179.00,) which is one-hundreth of one per cent of the assessed valuation of the Town, to the Lakes Region Association for the purpose of publicizing and promoting the natural advantages and resources of the Town, in cooperation with other Towns in the Lakes Region. (Request of the Lakes Region Association).

22. To see if the Town will vote to raise and appropriate a sum of money not to exceed four hundred dollars (\$400.00) for the control of the White Pine Blister Rust. (This is the sum we are required by law to raise).

23. To see if the Town will vote to raise and appropriate a sum of money not to exceed two hundred dollars (\$200.00) for Memorial Day.

24. To see if the Town will vote to raise and appropriate a sum of money not to exceed five hundred dollars (\$500.00) for the Visiting Nurse Association.

25. To determine the salaries, wages, and other compensation and allowances for all persons serving the Town, and pass any other vote or votes relative thereto.

26. To see if the Town will vote to authorize the Beach Commission to lease the concession at the Beach for a period longer than one year.

27. To see if the Town will authorize the Selectmen to hire on notes of the Town a sum of money necessary to pay current expenses in anticipation of taxes of 1950, and pass any other vote or votes relative thereto.

28. To see what sum of money the Town will vote to pay the first and second Engineers and Firemen in addition to the amount allowed by law; to see how much per hour the Town will vote to pay Engineers and Firemen while fighting fires and pass any other vote or votes relative thereto.

29. To see if the Town will authorize the Selectmen to take out Workmen's Compensation Insurance to cover employees of the Town and authorize the Selectmen to raise money for payment of the same.

30. To see if the Town will authorize the Selectmen to discontinue payment of the Ministerial money.

31. To see if the Town will vote to authorize the Selectmen, on behalf of the Town, to sign, seal, with the Town seal, acknowledge and deliver, a deed in such form as they may approve, conveying a sufficient right of way to the New England Telephone and Telegraph Company upon, under and over the land of the Town of Milton, located on the westerly side of State Highway No. 16 and bounded and described as follows: Southerly by land of Peter and Fannie Aimone, William Golding and Henry R. Johnson; Easterly by land of James Ham, Edward Jordan, Mary Roberts, Howard Sceggell and other land of Peter and Fannie Aimone; Northerly by land of Stanley and Cordelia Tanner and other land of the grantor; Westerly by other land of the grantor; more commonly known as the Samuel E. Drew Estate.

32. To see if the Town will authorize the Selectmen to sell a part of the Maine Sand and Gravel lot across the highway from the Town Beach.

33. To transact any other business that may legally come before this meeting.

Because the above was printed before the legal deadline on the insertion of petitions, it is not an official warrant.

Budget of the Town of Milton, N. H.

Estimates of Revenue and Expenditures for the Ensuing Year January 1, 1950, to December 31, 1950, Compared with Estimated and Actual Revenue, Appropriations and Expenditures of the Previous Year January 1, 1949, to December 31, 1949.

JOHN E. HORNE, Treasurer.

Auditor's Report

Milton, N. H., February 1, 1950

We certify that we have examined the books and accounts of the Tax Collector, Town Clerk, Town Treasurer, Selectmen, Trustees of the Trust Funds, and find them correct to the best of our knowledge and belief.

CHARLES E. PIPER,
BARD B. PLUMMER,

Auditors.

Warrant of the Milton Mills Fire District

OFFICERS

Commissioners

William J. Madden

Daniel Jenness

E. R. Stone

Clerk

Damon Pike

Treasurer

Robert Page

Moderator

John Horne

*To the Inhabitants of the Milton Mills Fire District
in the Town of Milton, qualified to vote in the
affairs of the District.*

You are hereby notified to meet in the fire house in the Milton Mills Fire District on Saturday, March 18, 1950, at eight o'clock in the afternoon to act on the following subjects:

1. To choose a moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Commissioner for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To see what sum of money the District will vote to pay the chief, the assistant chief, the first and second engineers, and the firemen in addition to the amount allowed by law, and to set the hourly rate for the aforementioned men while fighting fire in the

District, in the Town and in the surroundnig Towns, and to pass any other vote or votes relative thereto.

6. To see if the District will vote to raise and appropriate, if necessary, a sum of money not to exceed \$1,000.00 to provide for additional fire protection, and to authorize the Commissioners to borrow same on notes of the District, and to pass any other vote or votes relative thereto.

7. To see if the District will vote to raise and appropriate a sum of money not to exceed \$1,497.00 to pay operating expense and payment on note of the District as recommended in the Commissioners' report for the year 1950.

8. To transact any other business that may legally come before the meeting.

Given under our hand and seal at Milton Mills this thirtieth day of January, 1950.

W. J. MADDEN,

E. R. STONE,

Commissioners.

A true copy of the Warrant—Attest:

W. J. MADDEN,

E. R. STONE,

Commissioners.

Report of the Commissioners of the Milton Water District

Your commissioners submit the following report for the year 1949.

Early in the year we petitioned the State Legislature to change the name of the District from Milton Fire Precinct to Milton Water District. This was done.

In spite of severe drought conditions as experienced by surrounding communities we were fortunate in that our supply of water has been abundant. As has been the case of many municipal water departments, we were not forced to curtail the use of water, but have, in fact, added to our consumer list. Four new services were installed in 1949, Warren Burroughs, Sacred Heart Church, Joseph Slamin, and Fred Moors.

In the case of Mr. Moors, your commissioners were undecided as to whether we should give him a service, his home being located outside the District, and State. We did not feel that we could rightfully spent the District's funds to install him a service. After much discussion of the case we agreed to furnish him the water for a slightly larger fee per faucet than the users in the District pay, provided he furnish his own pipe and pay for the installation and maintenance of it. This being agreeable to him the service was connected.

The new hydrant that was ordered for the Ralph Williams extension was installed.

1950 being the start of the fourteenth year of service, we feel that the District should raise sufficient funds to pay for having the storage tank thoroughly cleaned, inspected, repaired and painted. This im-

portant maintenance has been neglected too long, in the opinion of the commissioners.

Respectfully submitted,

FRANK E. McINTIRE,
EDWIN C. THOMPSON,
STANLEY C. TANNER,

Water Commissioners.

Financial Report of the Milton Water District

Fiscal Year Ended December 31, 1949

DOROTHY A. REGAN,
Treasurer.

Report of the Milton Fire Department

The department answered the following calls the past year:

fires.

4 where buildings were involved.

11 dump fires.

2 brush fires.

4 calls in Maine.

We answered one call for help in New Durham with forty men for five days. We were reimbursed for this fire from New Durham.

The department is in good condition generally. The trucks are in A-1 shape and I believe we have as much equipment as any town our size. The only thing we need now is some protection for our summer cottages on Milton Three Ponds. I hope the town can see its way clear in the near future to do something about fire protection for this valuable part of the town.

Respectfully submitted,

HERBERT C. DOWNS,

Chief, Milton Fire Dept.

Report of the Commissioners of the Milton Mills Fire District

Under Article 7 of the Warrant you are asked to vote (those of you who are legal voters in the District) on the sum of \$1,497.00 for estimated running expenses for the department during this fiscal year of 1950. In this report we would like to call your attention to the 1949 expense of \$1,613.58. This includes some unforeseeable expenditures such as a new tire and a retread job on another tire on the tank truck, an appreciable rise in the light and telephone bill, and repairs to the firehouse doors. It represents a sum in excess of \$300.00 over the amount raised by taxes for the year of 1949. The estimate for 1950 is as follows:

Salaries for men,	\$500 00
Oil for heat,	125 00
Insurance on men, fire and liability insurance on trucks,	195 00
Supplies and repairs and upkeep on trucks and firehouse,	325 00
Telephone,	70 00
Electric bills,	50 00
<hr/>	
Payment on note and interest to First National Bank, Rochester,	232 00
<hr/>	
	\$1,497 00

The firehouse has been used for dances seven times in the past year. Three of these were by adult groups who contributed a new steel post as a floor support as their contribution. The rest were for "Teen Agers" on Saturday nights. The Commissioners bought wood for fuel at a cost of \$8.50. We estimate

the electric bill to be about \$2.00 monthly for these parties. A cheap price to give the "Teen Agers" an evening of good clean fun.

W. J. MADDEN,
E. R. STONE,

Commissioners.

Report of the Milton Mills Fire Chief

To the Commissioners and Voters of the Milton Mills Fire District:

The following fires occurred in the Milton Mills Fire District from January 1, 1949, to December 31, 1949:

- 1 house fire
- 1 chimney fire
- 1 grass fire

The District also answered the following calls in Acton, Maine:

- 1 house fire
- 2 chimney fires

The District answered one call at Middleton, N. H., a grass fire.

The District also burned the dump over once in June, and answered two other calls for dump fires.

The new tank truck which was finished early in the spring of 1949 has proved itself very well. If we had not had it at one house fire the house would have been a total loss.

The District increased the number of firemen from nine to thirteen, so the roll call now stands as:

- 1 chief
- 1 assistant chief
- 1 engineer
- 1 assistant engineer
- 9 firemen

LEON CLOUGH,
Chief.

Report of Trustee's of Durgin Estates

Report of Elmer J. Burnham, Executor under the will of Alta M. Durgin, acting as Trustee for the benefit of Winslow L. Hayes life tenant and Town of Milton, Residuary legatee, of the combined estates of Dr. Henry L. Durgin and Alta M. Durgin.

Assets of the combined estates now administered under the will of Alta M. Durgin:

61 shares of stock of American Telephone & Telegraph Co.	
5 shares of stock of The Manhattan Company	
1 share of Pref. stock of N. Y. N. H. and Hartford Railroad Co.	
2 shares of Prior Pref. stock of Boston & Maine Railroad Co.	
12 shares of stock of International Text Book Co.	
10 shares of 4% Pref. stock of Bangor Hydro-Electric Co.	
16 shares of Common Stock of Bangor Hydro-Electric Co.	
5 shares of stock of Radio Corporation of America	
30 shares of stock of General Electric Company	
10 shares of Capital Stock of Community Trust Company	
30 shares of Capital Stock of Packard Motor Company	
4 shares of Pref. stock of Consolidated Gas Company of New York	
33 shares Common Stock of Consolidated Gas Company of New York	
3 shares of Capital Stock of New York Central Railroad Co.	
6 shares of stock of Great Northern Paper Company	
39 shares of Pref. stock of Central Maine Power Co.	
\$1,000 U. S. Treasury bond, 2½%, '64 to '69	
2 6% Convertible Debentures, \$100, N. Y., New Haven and Hartford Ry.	
1 U. S. Government bond, Series G, \$100	
1 \$25 U. S. Government bond, Series E	
2 U. S. Treasury bonds, 2½%, \$100	
Deposited in Piscataqua Savings Bank,	\$3,473 05
Deposited in Portsmouth Savings Bank,	404 33
Deposited in Maine Savings Bank,	3,907 05
	<hr/>
	\$7,784 43

Securities bought since my last report, 8 shares of American Tel. & Tel. Co. by conversion of \$800 of bonds and payment of

\$400; one share of Common Stock of Bangor Hydro-Electric Co. for \$98.50.

The real estate in Milton was sold, except the house taken over by the town for an office. Total price received for both houses \$2,810.00. Expenses of probate, auctioneer, advertising, etc., were paid and the balance is included in the deposit in the Piscataqua Savings Bank above listed.

I have paid to Winslow L. Hayes the income from the above listed property and there is now in my hands a balance of income amounting to \$825.38.

ELMER J. BURNHAM.

ESTHER T. POLAND, R. N.

SCHOOL WARRANT

To the Inhabitants of the School District in the town of Milton qualified to vote in district affairs:

You are hereby notified to meet at the Town House in said district on the 11th day of March, 1950, at 7:30 p. m. o'clock in the afternoon, to act upon the following subjects:

1. To elect District Officers.
2. To determine and appoint the salaries of the School Board and Truant Officers, and fix the compensation of any other officers or agents of the District.
3. To hear the reports of Agents, Auditors, Committees, or Officers heretofore chosen, and pass any vote relating thereto.
4. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
5. To see if the District will vote to raise and appropriate the sum of ten thousand five hundred dollars (\$10,500.00) or any part thereof for the support of Nute High School.
6. To see if the District will vote to raise and appropriate the sum of fifteen hundred dollars (\$1,500.00)

for the transportation of pupils to Nute High School from Milton Mills and West Milton.

7. To see if the District will authorize the School Board to make application for and to receive, in the name of the District, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the Federal Works Agency, or other U. S. Government or State Agencies.

8. (This Article inserted by petition.) To see what sum, not to exceed \$1,500.00, the district will vote to raise and appropriate to equip and operate a school lunch program for the Nute High School.

9. To transact any other business which may legally come before this meeting.

Given under our hands at said Milton this 24th day of January, 1950.

PRISCILLA AYER,
THELMA TIBBETTS,
SETH F. DAWSON,

School Board of Milton.

REPORT OF SUPERINTENDENT OF SCHOOLS

February 1, 1950

To the Milton School Board, the Trustees of the Nute High School and the Citizens of Milton:

This, my third annual report as Superintendent of your Schools, will deal with the following subjects:

Personnel, Buildings, School Census and Enrollment, Curriculum, Books and Supplies, Finances, Health. This report will be followed by reports of the Principals of the Milton Grammar and Milton Mills Schools, the School Nurse and the Headmaster of the Nute High School.

Personnel: For the present school year, it was necessary to select three teachers for the elementary schools and four for the Nute High School who were new to their respective positions, in addition to a new Headmaster at the high school.

Elementary: As principal and teacher of Grades 5-8 for the Milton Mills School, Mr. Richard Gale was selected to replace Mrs. Ellen Akers who resigned in February, 1949. (We were fortunate to procure the services of Mrs. Marion Stanley of Milton to complete the last school year.) Mr. Gale was graduated from Clark University in 1948 and attended the University of New Hampshire during the summer of 1949.

In the Grammar School, Mrs. Leona Foster of Newmarket was employed to replace Mrs. Drina Blanchette in the middle grades. Mrs. Foster is a graduate of the University of New Hampshire with several years of teaching experience the last three of which were in the field of music in Exeter and Hampton areas.

To teach Grade 8 and Biology in the Nute High School the School Board selected Miss Mildred Hayes of Enfield, N. H., and the University of New Hampshire to replace Mr. George Field who resigned to resume his graduate study at Boston University. Miss Hayes had completed one-half year of practice teaching at the Manchester West High School.

Mrs. Frances Doe resigned from her position in the grammar school in November, 1949, to work for a book publisher and was replaced by Mrs. Ellen Cochran of Dover. Mrs. Cochran is a graduate of Keene Teachers College (1943) and has had six years of successful experience in Grades 2 and 3 in the primary school at Newmarket.

We were fortunate to retain the services of Principal Clarence Amadon, Mrs. Doris Chase, Miss Fern McGregor and Mrs. Elsie Julin in the grammar school and Mrs. Doris Lowd in the Milton Mills School.

In the Nute High School, the Trustees selected Mr. Walter Foster of Newmarket to replace Mr. Maurice Taylor as Headmaster. Mr. Taylor resigned as Headmaster at Nute last spring to accept a similar and more remunerative position at the Farmington, N. H. high school. Mr. Foster is a graduate of the University of New Hampshire and has attended several summer sessions at that University in pursuance of a Master's Degree in Education; he has taught social studies and coached at the Newmarket High School and had been acting Headmaster of that school during several months of the last school year.

Mr. Leonard Littlefield of Penacook, N. H., and a 1949 graduate of Keene Teachers' College, was selected to replace Mr. Stephen Perkins in the Industrial Arts Department of the Nute High School. Mr. Littlefield had done one-half year of cadet work in the schools of Concord, New Hampshire.

In the Home Economics Department, Miss Au-

drey Dion of Lowell, Massachusetts, was elected to replace Miss Doris Chase who resigned to be married. Miss Dion is a 1949 graduate of Nasson College in Springvale, Maine, and has done practice teaching in the high school of Kennebunk, Maine.

As an additional teacher in the high school, Mr. Charles Johnson of Northwood, New Hampshire, and a 1949 graduate of the University of New Hampshire, was elected to teach mathematics and science. Mr. Johnson's practice teaching was done in the Portsmouth High School during the last half of the 1948-49 school year.

We were fortunate to have Miss Marjorie Goodwin and Miss Bertha Leathers return to the Commercial Department and to the English and Language Department respectively as experienced teachers around whom to build practically a new faculty.

The professional attitudes of the Milton teachers are excellent. One hundred per cent of all Milton teachers belong to the New Hampshire State Teachers' Association and to the National Education Association; this membership is indicative of their interest in the objectives of the profession. These professional organizations are composed of approximately 3,000 New Hampshire teachers and of about 400,000 teachers or about one-third of all teachers throughout the country respectively.

School Buildings: Although the lack of certain facilities and cramped quarters still exist as mentioned in detail in the last annual report, many minor weaknesses and deficiencies in our physical plants have been corrected during the past year. Interior painting was continued in the grammar school, safety fire bars were installed on the front double doors of the building and the continuation of the excellent work of the janitor, Alfred Moody, has resulted in the construction

of miscellaneous book shelves, a partition near the entrance of the boys' toilet from the so-called movie room in the basement, and the painting of the lunch room and of the movie room; two new modern type water fountain heads were installed in the building as well as were several much needed window shades.

In the high school building, the Trustees have started a rather extensive program of improvements by having installed a bulkhead exit from the home economics room. New lights have been installed in the home economics room, in the science laboratory, in the commercial room and in the English room. The home economics room was painted and new window shades were provided throughout the main room and the science laboratory; safety fire bolts have been installed on the front outside doors. In the Headmaster's house, the Trustees have installed an automatic oil burner in the furnace and have made repairs to plaster and other minor items in several areas. Plans are under way for completion of the following projects during the coming year: refinishing of the floors in the high school building, painting outside woodwork of the building and partitioning the main room into two smaller classrooms.

School Census and Enrollment: Census figures as of September, 1949, indicate, as shown below, that school population remains fairly constant:

Ages (Sept. 1, 1949)				Ages (Sept. 1, 1949)			
	T.	B.	G.		T.	B.	G.
	No. of Children				No. of Children		
Less than 1 yr.	33	13	20	9	29	18	11
1	30	18	12	10	19	10	9
2	36	17	19	11	18	10	8
3	32	9	23	12	22	11	11
4	21	13	8	13	28	13	15
5	26	15	11	14	26	13	13
6	27	14	13	15	25	14	11
7	24	12	12		—	—	—
8	26	15	11	Totals	422	215	207

The enrollment by grades in each of the schools as of September, 1949, was as follows:

Grade	1	2	3	4	5	6	7	8	9	10	11	12	Tuition T. Rate
Milton Mills	14	5	2	3	5	4	6	2					41
Milton Gr.	20	21	28	23	23	16	19						150 100.
Nute H. S.								19	32	33	24	7	115 155.
Total	34	26	30	26	28	20	25	21	32	33	24	7	306

The above figures represent an increase of 11 children in the Milton Mills School, a decrease of 10 in the grammar and a decrease of 7 in the high school from the September, 1948, figures. Since September of the current year, there has been a further increase in the Milton Mills School because of an influx of a few families apparently involved with a temporary lumber job in that locality. Several pupils have entered the grammar school since September so that the average enrollment for this year will be comparable to that of 1948-49. The number of tuition pupils in the Milton grammar and in the Nute High Schools have remained about the same as of last year. We now have from Lebanon, Maine, 22 pupils in the elementary grades as compared to 24 last year and 26 tuition pupils in the high school (grades 9-12) as compared to 28 last year. The number of drop-outs from high school has decreased considerably during the past two years; with few exceptions, pupils who have withdrawn from Nute have done so because their parents have moved from town and the pupil has entered some other school.

Nute High School tuition pupils, as of September, 1949, were from the following towns:

	9	10	11	12	Total
Lebanon, Maine	1	2	2	2	7
Acton, Maine	1	1	3	0	5
Wakefield, N. H.	4	2	4	1	11
Middleton, N. H.	0	3	0	0	3
Totals	6	8	9	3	26

Curriculum, Books and Supplies: The Educational Policies Commission of the National Education Association of the United States and the American Association of School Administrators in a study of the purposes of education in American Democracy developed a series of objectives grouped around: Self-realization, Human Relationship, Economic Efficiency and Civic Responsibility. As the school program cannot be divided into these four quarter sections, we continue with the same general subjects in the elementary schools, but aim at the objectives as implied in those sections. Ability to gain information through reading and to express ideas through writing and speech is one of the chief subject matter objectives in the elementary school.

Through a well organized and directed school life, the pupil gains much experience in human relationships; civic responsibility is taught consistently throughout the school career of every pupil. Participation is encouraged in group games, committee work and holding of class offices as well as in the many other activities of the daily life of the pupil in school. Continued cooperation between the home and the school is necessary to obtain the greatest results in the realization of our mutual objectives, and each agency should understand the methods and plans of the other for attaining those objectives. Parents should recognize and encourage the experiences in the lives of children which occur outside the school which tend to foster desirable physical, emotional, spiritual and mental growth. Such experiences, under proper guidance, supplement and extend the school experiences.

In the high school the changes in the curriculum for the current year involve the addition of Civics for the freshman year, the changing of History of Civilization from the freshman to the sophomore year and the

teaching of Biology to all pupils during their sophomore year.

Our budget allowance has provided for a continuation in the purchasing of new textbooks and other necessary teaching aids. Our teachers are alert to keep each pupil working up to his capacity and do not lose sight of the fact that we are primarily interested in the child rather than in the implements which we use for his benefit.

Finances: As the Milton taxpayers are well aware, the total school expenses from local sources have increased. This increase is caused largely by the following factors: (1) Loss of state aid for many local school districts including Milton; (2) An increase in the numbers of Milton children of school age and (3) an increase in high school expenses.

As is probably known, the last legislature decreased the amount of State Aid to local school district from approximately \$2,000,000.00 to approximately \$400,000.00. The formula that was specified by the legislature for use in apportioning the comparatively small amount of money throughout the state this year was of 1918 vintage; local conditions in Milton have changed as well as have amounts of equalized valuation, number of pupils, etc., elsewhere throughout the state and Milton therefore got absolutely nothing from the state this year as compared to over \$13,000.00 during each of the past two years when the state was distributing \$2,000,000.00 and to approximately \$4,000.00 previous to 1947.

As a result of action by the 1949 Legislature, receipts from dog licenses will remain in the town finances rather than be transferred to the school district from now on.

Salaries in all school districts require a compara-

tively large percentage of total expenses. As was pointed out in the annual report last year, the salaries of elementary teachers in Milton has lagged behind those in other towns in this Supervisory Union, as well as below the average throughout the state. Contracted salaries for Milton teachers for the current school year (1949-1950) are shown below.

Teacher	Yrs. of Exp.	Grades	Salary
Elsie Julin	8	1	\$2,200
Ellen Cochrane	7	2-3	2,200
Fern McGregor	33	3-4	2,100
Leona Foster,	5	4-5	2,100
Doris Chase	10	Spec.	2,200
Clarence Amadon (Prin.)	13	6-7	3,200
Doris Lowd	21	1-4	2,050
Richard Gale (Prin.)	1	5-8	2,300
Mildred Hayes	1	8-12	2,000
Audrey Dion	1	Home Ec.	2,300
Marjorie Goodwin	26	Commerce	2,500
Charles Johnson	1	Math., Science	2,400
Bertha Leathers	9	Eng., Lang.	2,400
Leonard Littlefield	1	Mech. Arts	2,400
Walter Foster, Hdm.	5	Soc. Studies	3,000*

* Plus house.

Health: The total health program of our school continues to include an expanded lunch program in the grammar school, under the capable direction of our cook and operator, Mrs. Eva Keene, which takes advantage of Federal donations of food and of Federal allowances of nine cents toward the expense of each meal which we serve. During the past year, considerable quantities of the following foods have been received at no direct cost to the local budget except for transportation: potatoes, apples, tomatoes, tomato paste, honey, peaches, cheese, butter, peanut butter.

Mrs. Poland continues with her good work as school nurse. Her report, which follows, will provide information of the less routine phases of her work.

In conclusion, I wish to state that it is only through the understanding of the value of education and the realization that good education represents one of the best investments, that we have an outstanding public school in Milton.

Appreciation is expressed to the members of the School Board, the Trustees of Nute High School, the Faculty, the pupils and all other members of the community who have helped to make for a better school.

Respectfully submitted,

JONATHAN A. OSGOOD,

Superintendent of Schools.

REPORT OF THE PRINCIPAL OF THE MILTON GRAMMAR SCHOOL

Following I'm pleased to present my second annual report of some of the activities of Milton Grammar School.

Supervision

Continuing our plan of last year, a teacher is on duty at 8:00 o'clock to supervise activities in-doors or out-of-doors, depending on the weather. Bus children are checked onto the bus by a teacher.

Remedial Program

Our Remedial Program has proved its effectiveness in that fewer children are needing actual remedial reading. All first graders receive additional drill work. We believe that by clearing up reading difficulties before they become too deeply fixed, less difficulties will be encountered in reading in later years.

School Lunch

Our Hot Lunch Program continues to be an important item in our school day. Lunches are planned and prepared according to state and federal requirements. Our cook, Mrs. Eva Keene, and her assistant, Mrs. Amy Stowe, do an excellent job of serving an ever increasing number of hungry boys and girls.

This year new tables have been purchased adding to the attractiveness of the lunch room as well as to the comfort of those eating.

Approximately 98% of the children having hot lunches are having milk with their dinners.

Physical Education

Softball was the favorite spring and fall out-of-doors sport. Our playground facilities are too limited for playing baseball.

During the winter months, under appropriate conditions, we skate on a rink at the rear of the school building or slide on Church Street, adjacent to the school. While the street is posted for sliding, the signs are not too conspicuous. It is suggested that road blocks be used at either end of the so-called sliding zone to insure the safety of the children. No amount of supervision can prevent an accident when drivers of automobiles will persist in using a hill where children are sliding.

Basketball practice for girls of grades six and seven has been held by Mrs. Doris Chase at Nute High School Auditorium. The principal has held practice for boys from grades 4 through 8. No outside games are to be played. Boys and girls will form teams and play each other on various occasions.

Courses Taken

Mrs. Leona Foster has been taking an extension

course offered by the New Hampshire State Department of Education entitled "Curriculum Problems." The class meets in Rochester once a week.

Open House

Open House was held the evening of November 7, 1949, with fifty parents and friends attending. This year the children did not attend. A parent was given the opportunity to meet and visit with the various teachers with a chance to discuss problems needing the attention of either the parent, pupil or teacher.

Audio Visual Aids

Our sound motion picture projector has been well used. Many films have been shown in conjunction with various teaching units. The New Hampshire State University has an Audio Visual Aids Library from which films are rented at a small fee and the State Department of Health has free films of which most of those suitable for our age group have been booked for a showing.

Several records have been purchased which are used by the various classroom teachers and music supervisor.

Instruction

Departmentalization has been attempted on a small scale this year. Teachers and pupils are enjoying the change. Teachers and subjects or grades are listed as follows:

Mrs. Julin

Grade I and part of Grade II

Mrs. Cochrane

Part of Grade II and part of Grade III

Miss McGregor

Part of Grade III and part of Grade IV

Spelling in Grades IV and V

Mrs. Foster

Part of Grade IV and Grade V

Music in Grades III-VII

Language in Grades VI-VII

Mrs. Chase

Remedial Reading (Morning)

Social Sciences, Grades VI-VII

Reading, Grades VI-VII

Penmanship—Grades IV-V

Mr. Amadon

Arithmetic, Grades IV-VII

Science, Grades VI-VII

Spelling, Grades VI-VII

Administration and Supervision

Supervision, Milton Mills Grammar School

Conclusion

We are fortunate to have in our school this year three Latvian children. They are excellent additions. Their courtesy is above reproach.

We, whose pleasure it is to work with the boys and girls of Milton and you, are attempting to provide for an effective learning program for all pupils. We are interested in your children and aiding them to help themselves live happy wholesome lives.

Respectfully submitted,

CLARENCE P. AMADON.

REPORT OF THE PRINCIPAL OF THE MILTON MILLS GRAMMAR SCHOOL

To the Superintendent of Schools and the School Board of Milton:

In Milton Mills Grammar School the educational approach is to develop the total growth of every child. By weighing each child's abilities and capabilities we do our best to increase the individual's educational experience. In doing this we offer conditions under which he or she can learn to work, to play, and to grow. The early lessons of democracy are put forward in the classroom as the children carry in oral discussions and arrive at group decisions.

The enrollment did not make an alarming increase but the distribution in the classes showed two interesting facts:

- (1) In the lower grades there were fifteen first graders in a class of twenty-eight.
- (2) In the upper grades there was an increase from two to seven in the number of girls. This was a welcomed adjustment.

A successful Open House was held in the evening, November 15, 1949. The children attended and classes were conducted. Many parents and interested townspeople visited. The highlight of the evening was to witness the first grade children reading. The upper grades had their table model of Milton Mills on display.

An attempt has been made to interest the children in competitive sports. The health benefit derived is readily accepted, but the real lesson has been to show the children that it is as important to be a good loser as it is to be a triumphant winner.

Activities in the primary grades have been numerous and very worthwhile. In the way of handiwork the children made their own calendars and attractive containers for holders. Enjoyable units were taken up, some of which included Indians, Pilgrims, and Eskimos. The new desks and chairs have been helpful in planning activities in a room now full to capacity.

Through the year there have been two popular supplements to the school curriculum. One is the Friday afternoon music instruction by Mrs. Cotton. It is important that our little people have this added opportunity to learn and appreciate good music at an early age. The other is the use of the movie projector which has proved an aid in teaching safety and in making text book material more realistic.

I give my hearty thanks to Superintendent Osgood and Principal Amadon for the advice and suggestions they have given me during their visits to the school.

Respectfully submitted,

RICHARD D. GALE

Principal

REPORT OF THE HEADMASTER OF THE NUTE HIGH SCHOOL

*To the Superintendent of Schools and Members of the
Board of Trustees:*

I hereby submit my first annual report of the Nute High School, which opened its fifty-ninth year September 7, 1949, with an enrollment of one hundred and sixteen pupils. The three transfers and withdrawals to date have left the present enrollment of one hundred and thirteen pupils divided as follows: Seniors, seven; Juniors, twenty-three; Sophomores, twenty-nine; Freshmen, thirty-three; Eighth Grade, twenty; Special, one.

Changes in the faculty personnel since the last school year are listed in the Superintendent's report.

Civics is the only new subject added to the curriculum this year. Otherwise, the approved program of studies is the same as last year except that the following alternates were substituted: Biology for Gen-

eral Science, Foods and Nutrition for Textiles and Clothing, French II for French I, Fused Geometry for Advanced Algebra and Trigonometry, Consumer Buying for Sociology, Human Behavior for Economics, Physics for Chemistry, The Home for The Family, Office Practice for Stenography and Typing, Book-keeping for Business Law and Salesmanship. By offering alternate subjects each year, it is possible to offer a more varied and interesting group of courses which meets the need of our community.

During the summer, many improvements were made in our school building. Installed in the laboratory, main, and commercial rooms were new lights; and in the first two, new curtains.

The Economics room had its face lifted by a new coat of pastel shade of green and the boy's lavatory was newly painted. In accordance with the fire laws, a new exit was made from the Home Economics room and a flight of cement stairs built. Panic bars have been installed on all outside doors.

Among the new supplies are included new texts in Civics, English, and Biology. Additional books were bought for other courses where necessary. Other new teaching equipment includes maps for social studies and a bioscope used in Biology and Physics.

In September, in exchange for two worn out models, the Public Service Company supplied us with new electric stoves equipped with automatic timers. These have been a great asset in the teaching of Home Economics.

Participating in the baseball and track competition held at the Deerfield Fair, September thirty and November first, 1949. Nute was successful in winning its baseball game against Raymond on Friday, but lost to Farmington on Saturday.

A league field day was held at Coe-Brown November 3, where cross country, volley ball, and cheer-leading competitions were held. Our girls did a magnificent job in winning the championship in volley ball and acquiring a trophy which will be displayed at school. Last spring, the girls won the softball championship.

Open House was held in conjunction with National Education Week on Monday evening November 7, A short program was given after which the parents inspected the school, met and consulted with the teachers.

Under the supervision of Miss Bertha Leathers and Mrs. Charles Johnson, the Junior Class put on

three one-act plays on Friday, November 18. Judging from the response of the audience, these were excellent productions.

The shop classes have completed a wide variety of projects which include lamps, tables, wooden bowls, gun rack, corner shelves, knickknack shelves, folding tables, book-ends, book cases, tool storage bin, improved shower room, shuffle-board game for the Milton Mills Grammar School, and a score board for basketball games. To brighten the main room, window boxes have been made in which the Biology classes planted flowers and ferns.

The Athletic Association has taken over the sale of candy, the profits being used to help finance the athletic program. To raise money, a magazine drive and a faculty-student basketball game was staged. Proceeds from these two projects were used to purchase uniforms for the girls' basketball team. We are grateful to the P. T. A. for contributing \$30.00 to this fund. Through a benefit basketball game and the sale of pens and pencils, it is hoped sufficient money will be raised to purchase uniforms for the baseball team.

Each class has had one social this year, and all have been well attended. These functions have furnished a good time besides adding approximately ten dollars to the treasury of each class.

Discipline and safety measures have been improved by the introduction of a student patrol sponsored by the Student Council.

The moving picture projector has been used considerably but best results are prohibited because of the poor acoustics in the auditorium; perhaps drapes can be hung over the bare-walls in the future to improve this condition.

Just before Christmas, the tuberculosis skin test was given to the eighth and ninth grades. Bus transportation sponsored by the P. T. A. was furnished to take the high school students to Rochester for chest X-Rays.

At this time I would like to publicly thank the experienced teachers for their advice and aid, and the new teachers for their earnestness and eagerness. I feel that we have really been a closely knit faculty this year, and have given each other support and cooperation. No headmaster has ever had a more loyal group of teachers. I feel that Nute has benefited by this unity.

To Mr. Osgood, the Board of Trustees, and to the people of Milton, I extend a very sincere thank-you for your help, and kindness and trust. My first year at Milton has been a most pleasant experience.

Respectfully submitted,

WALTER J. FOSTER,

Headmaster

REPORT OF THE SCHOOL NURSE

To the Superintendent of Schools:

I herewith submit my annual report as school nurse for the year 1949.

There have been few changes made in the routine health service in the grade schools. The pupils were weighed and measured and their teeth examined during the months of September and May. The vision and hearing tests were conducted in both the grade and high schools. Frequent inspections of the hair and skin have been made to prevent the spread of pediculosis and skin diseases. There was no epidemic of communicable diseases during the year, just a few scattered cases of measles, mumps, and chicken-pox.

The children of grade two and a part of grade four were given a physical examination by Doctor Paul Sharkey, school physician. All defects found were reported to the parents and follow-up work was done.

The Tuberculin Skin Test, sponsored by the New Hampshire Tuberculin Association, was given to all children under fifteen years of age. Those showing a reaction from the test were taken to the clinic in Rochester for a chest X-Ray. The pupils fifteen years of age and over were transported to Rochester for X-rays by the New Hampshire Mobile X-Ray Unit.

Our second Pre-School Conference was held at Milton Grammar School May 20, 1949. The response by the parents of the Milton children was very gratifying, about ninety per cent being present. Some of the parents unable to come made arrangements for their children to attend, thus affording them an opportunity to meet their teacher, class-mates, and

nurse and to receive the examination of eyes and inspection of teeth. The Milton Mills parents and children were also invited to attend. Mrs. Lowd, primary teacher, transported those who attended. Wherever defects were noted in eyes or teeth the parent was urged to have the correction made during the summer months. It was also suggested that vaccination and physical examination be made in the early part of summer. This procedure makes it possible for the child to start his school life without a physical handicap.

My duties at High School consisted, primarily, of assisting Doctor Paul Sharkey with the physical examinations given to all boys and girls who participate in sports. Any extended absenteeism reported to me is investigated to determine the cause. This method aids materially in the control of communicable diseases.

In concluding this report I should like to express my sincere appreciation to you, Mr. Osgood, and to the teachers for the splendid cooperation they have given me during the past year. Their efforts in teaching good health habits have helped immeasurably.

Respectfully submitted,

ESTHER T. POLAND, R. N.,

School Nurse

PRE-SCHOOL CONFERENCE

Our second Pre-School Conference was held at Milton Grammar School on May 20, 1949. The response by the parents of the Milton children who plan to enter school in September was very gratifying, about 90% being present. Some of the parents who were unable to come made arrangements for their children to attend, thus affording them an opportunity to meet their teacher and classmates and to receive the "check-ups" on eyes and teeth.

The parents and children of Milton Mills were invited to attend the conference this year, but the response was not very satisfactory. Only four of the ten children enrolled for the September class attended. Mrs. Lowd, the primary teacher, furnished transportation.

Mr. Amadon, principal of the Milton Grammar School, acted as host to the parents and children.

Mrs. Julin welcomed each child and parent in the first grade room.

Mrs. Poland, school nurse, checked the eyes of each child with the Massachusetts Eye Testing Machine.

Mrs. Corrine Greeley, dental hygienist, examined the teeth and made the necessary recommendations for care to each parent.

Observations Made by Mrs. Julin

All of the children who attended the Conference very quickly found something to interest them and kept themselves occupied, thus affording the teacher an opportunity to get acquainted with the parents who at-

tended. Requirements for the first grade were discussed, and a brief explanation of how reading and writing will be taught to the beginners was presented by the teacher. A parent, who had some special information concerning her child to pass on to the teacher, was given a chance to do so. The parents were most cooperative and by their presence showed their approval of the whole affair.

Defects		Recommendation
Eyes	2	To be examined by eye doctor
Teeth	14	To be checked by dentist

Each parent was advised to have her child vaccinated as soon as possible, thus eliminating a "sore arm" in September. Parents were also asked to have their children given a complete physical "check up" at the time of vaccination. By doing so, necessary corrections may be made before the child starts school.

ESTHER T. POLAND, R. N.,

School Nurse.
